

STOOL OLENA

With the Olena model in elegant wickerwork - available as an armchair, 1-seater element, corner element and stool - outdoor areas can be transformed into feel-good zones. The aluminum frame is woven with a flat polyethylene band in coffee brown. The feet are made of aluminum with a stainless steel look. It is possible to attach an anti-theft device. The seat and back cushions are fitted with a removable and washable SUNBRELLA or AGORA cover. They should be protected from moisture and stored in a dry place when not in use. Store the cushions indoors and ensure that they are completely dry before storing and covering them.
