

BAR STOOL PATRA

Steel that shows character: This chair and the matching bar stool are design classics for the hospitality industry – defined by a clear industrial look and uncompromising in everyday use. The powder-coated finish is extremely easy to maintain and scratch-resistant, making it ideal for high-traffic environments. Manufactured in proven GO IN quality, both are produced according to industrial manufacturing standards – the precisely shaped sheet steel becomes a visible design feature. The result is a striking silhouette with exceptional load-bearing capacity. And when things need to move fast: the chair and bar stool are stackable and just as practical as they are style-defining.

- Design classic in industrial style: Timeless steel design with a clear, professional appearance
- Made for the tough hospitality routine: Powder-coated, scratch-resistant and extremely easy to maintain under high traffic
- Practical handling: Chair and bar stool are stackable – quick to store, quick to use again
