Stabiler Stand durch verstellbare Bodengleiter /
Stable footing thanks to adjustable floor glides /
Une bonne stabilité grâce aux patins réglables

The side-stackable Sven table is both versatile and practical. The powder-coated aluminium frame can be combined with a range of tabletops. The tables can be stacked sideways to save space thanks to the tilting mechanism.

- Space-saving – Thanks to the tilting mechanism, the tables are Side-stackable and can be stored flexibly
- Robust & low-maintenance – The powder-coated aluminium frame is scratch-resistant and suitable for everyday professional use
- Secure footing – Adjustable Floor glides compensate for uneven surfaces and ensure wobble-free comfort
