

CHAIR

Inspired by classic motorsport seats, the Dimple shell chair brings a dynamic and appealing design language to restaurants, hotels, and seminar rooms. Its shell, made of glass-fiber-reinforced polypropylene, is available in various colors and combines a modern, lightweight appearance with exceptional durability. Thanks to the choice of different frame options, Dimple can be flexibly adapted to a wide range of interior styles – from cozy and inviting to minimalist and contemporary. Whether in a restaurant, hotel, conference room, or public area, the chair blends harmoniously into its surroundings while still making a clear design statement. Easy-care materials and a durable construction make it ideal for everyday use in professional contract environments. Looking for other colors? Custom colors are available on request for larger project quantities.

- Motorsport-inspired design: Distinctive styling with high recognition value
- Flexible combinations: Various colors and frame options for versatile interior concepts
