DINING TABLE **FELIZA**

FELIZA is a particularly sturdily crafted table with real wood veneer and impresses with its harmoniously rounded design language. The soft curves are reflected in the tabletop as well as on the legs and the frame, giving the model a cozy, high-quality look. The table is available in beech as well as in stained and lacquered oak. With a height of 75.5 cm, FELIZA is also suitable for wheelchair use along the long side. The rounded edges additionally ensure pleasant and safe handling. FELIZA is available in the sizes 160 × 80 cm and 80 × 80 cm. The tables can be flexibly placed individually or combined into larger table groups and long banquets. Thanks to its robust construction, the high-quality wood look, and the versatile application possibilities, FELIZA is particularly well-suited for the health & care sector as well as for dining rooms and common areas.

- Robust & high-quality: Sturdily crafted with real wood veneer and harmoniously rounded details
- Wheelchair-accessible along the long side: The table height of 75.5 cm allows for comfortable use with a wheelchair
- Flexibly combinable: Can be used individually or easily arranged together to form larger table groups and long banquets
