CHAIR VALDRIN

The chair Valdrin is a proponent of the popular retro look. Made to the standards of European artisan quality, it features an A-shaped beech wood frame and comes in Merano brown. The seating area and slightly flexible backrest feature high-quality foam padding and are covered in artificial leather Pavinto in the colours smoke and taupe. Valdrin can be stacked up to four units high. A line of studs on the rear of the backrest highlights the soft, round design and is a real eye-catcher.
