Kerst Slim can be used as a dining table, coffee table, or lounge table, making it flexible for different areas in commercial and hospitality settings. The dining table frame is available in either black powder-coated steel or matte brushed stainless steel, while the coffee table comes in matte brushed stainless steel. For the tabletop attachment, a standard top and a special version for glass tops are available. Additionally, there is a black base with rounded corners, giving the table a softer, modern appearance. Kerst Slim combines ideally with the tabletops Ercus A, Compact Slim A, Sendo A, and Zaila.
