For a table with a particularly noble look: our Cassius tabletop made of marble. The natural surface of Cassius is satin-finished and has a water-resistant wooden base plate. The wooden base plate already has threaded inserts for our GO IN standard fixing top for easier assembly. Available in both a square and round version and various sizes. Ideal for restaurants, cafés, bars and hotels. The Nero Marquina and Bianco Carrara colour variants are suitable for outdoor use, while the Perlino Rosato, Verde, Rosso Levanto and Emperador Dark colours are suitable for indoor use. The marble top complements the T12 Slim table frame perfectly.
