

TABLE PICNIC

Summer, picnic, good mood: this is all conveyed by the model Picnic, in which the table and benches are connected securely to one another. The modern table and bench set made of powder-coated aluminium is available in various versions: entirely in an anthracite colour or with a wooden finish of the tabletop and seat surfaces. The weight can be increased by filling it with sand.

- Extremely weather-resistant
- universally applicable
- Theft protection by weighing down with sand
