COFFEE TABLE AFRA

The Afra coffee table is the perfect addition to any gastronomic environment. Its three-legged construction ensures stability, while its universal design offers a wide range of possible uses. The easy-care surface and high-quality, satin-finish powder coating with a fine structure not only give the Afra an attractive appearance, but also guarantee long-lasting quality. Whether indoors or outdoors, Afra is the ideal choice for discerning catering establishments that value elegance and functionality.

- Universally applicable
- Light and stable
- Organic design
