

ARM CHAIR NALU

The Nalu model with and without armrests as well as with closed fully upholstered armrests is timeless and elegant. The special and tasteful design with a frame made of beech wood, stained in the colour oak or walnut, gives every room a luxurious feel-good atmosphere. The model is comfortable and, with its functional, ergonomic shape, has many uses in the health & care sector. Optionally, the chair can also be equipped with castors on the front legs so that the seated person can easily be moved to the table from behind. The upholstered seat cover, which is particularly appropriate for the health & care sector, is available in various flame-retardant and easy-care materials, such as Parotega, Paratexa, Marou, Addison and Sheldon.
