

INDIVIDUAL ELEMENT 120 CM **RIPPLE**

The Ripple bench system impresses with its elegant transverse channel tufting and versatile applications. It consists of 60 cm and 120 cm elements as well as an inner corner (70x70 cm) and is easy to connect. The design is available as a freestanding version or as a wall variant with a fabric-covered back. The channel tufting, which runs at varying depths, makes the backrest particularly comfortable and inviting. The frame is available in both dining and bar table heights and can be combined with feet and base trims in various colors. With its stylish design and high seating comfort, the system is ideal for restaurants, cafés, and lounges.
