

BAR STOOL ESINA

Classic ladder-back chair made of sturdy, glass-fiber-reinforced plastic – Esina is a design classic, newly interpreted for professional use. The ergonomically shaped backrest and the wide seat provide a comfortable seating experience even during extended use. The chair is stackable, UV-resistant, weatherproof and therefore suitable for both indoor and outdoor areas. Thanks to its robust, easy-to-maintain surface, it is ideal for gastronomy, hospitality, canteens, and high-traffic contract areas. Available as an armchair and matching barstool for a cohesive interior concept.

- Design classics in sturdy plastic
