

CHAIR ESKAN

Built for commercial use, this chair features an ergonomic seat shell that supports posture and delivers all-day comfort. Its stable construction and durable materials withstand intensive daily handling in hospitality, offices and public spaces. UV-resistant, weatherproof surfaces keep colour and performance consistent outdoors, reducing maintenance and replacement costs. A reliable, practical seating solution for projects where comfort and longevity matter.

- Ergonomic seat shell for high comfort
- Stable and durable
- UV-resistant and weatherproof
