

COFFEE TABLE **SUNNIVA T**

The matching coffee table for the Sunniva lounge series is specially designed for professional use in outdoor areas. The frame is made of powder-coated, easy-to-clean aluminum and is corrosion-resistant as well as extremely low-maintenance. The weather-resistant polystyrene tabletop in a high-quality wood look offers a natural appearance without the typical disadvantages of real wood such as splintering, greying, or high maintenance requirements. This ensures that the table remains permanently attractive and functional even with intensive use in gastronomy, hospitality, and contract settings.

- Powder-coated aluminum frame – stable, corrosion-resistant, and easy to clean.
- Weather-resistant polystyrene tabletop in a high-quality wood look with a natural appearance.
- Wood look without the typical disadvantages of wood such as greying, splintering, or high maintenance effort.
- Stable and corrosion-resistant
- Weatherproof and easy to clean
- Polystyrene tabletop with a natural wood look
