

DINING TABLE **GASTON**

This table combines classic design with a modern, durable material composition. The solid bentwood frame made of black beech gives it an elegant, timeless look while ensuring stability in everyday use. The white HPL Compact Slim tabletop appears light and modern, is easy to maintain, and particularly resistant. This makes the model a perfect match for bistro and brasserie chairs and allows it to blend harmoniously into hospitality concepts with character. As a special model, the table is only available in this version and offers a particularly attractive price. An appealing solution for anyone looking for stylish and economical furnishings.
