

DINING TABLE KONDO

A versatile all-rounder for outdoor use is the Side-stackable model Kondo – available as a Dining table or High table. The powder-coated aluminium frame is available in Silver or Black and can be combined with round Tabletops with a diameter of 60 to 80 cm and square tops in sizes from 60 x 60 cm to 80 x 80 cm. Kondo features a tilting mechanism, allowing the tables to be stacked sideways.

- Quickly stowed away: The tilting and folding mechanism makes Kondo stackable sideways and saves space as well as time when rearranging
- Always fits: Many panel formats (round Ø 60–80 / square 60–80) + frame in silver or black for every concept
- Stable in operation: Adjustable floor glides compensate for unevenness and reliably stop wobbling
